

Jochem Willemsen is lecturer and Research Director at the Centre for Psychoanalytic Studies at the University of Essex. He studied Freudian and Lacanian psychoanalysis at Ghent University (Belgium) and at Université Rennes 2 (France). His research on psychoanalysis, psychotherapy and forensic topics is published in international scientific journals. Additionally, he is co-founder of the [Single Case Archive](http://www.singlecasearchive.com) (www.singlecasearchive.com), an online archive of psychotherapy case studies for clinical, research and teaching purposes. He has been working for years as a Lacanian psychoanalytic psychotherapist in private practice.
